

Red October

PEACHES

We begin harvesting Red October peaches in mid-September. These peaches are known for their intense flavor, sweetness, and juiciness. They eat like an old-fashioned heirloom peach long after other peaches have come and gone.

**INTENSE, OLD-FASHIONED PEACHY
FLAVOR THAT'S FULL OF JUICE!**

Red October

PEACHES

We begin harvesting Red October peaches in mid-September.

These peaches are known for their intense flavor, sweetness, and juiciness. Red Octobers provide a unique market opportunity, they eat like an old-fashioned heirloom peach long after other peaches have come and gone.
